THE C.S. LEWIS CLASS WILL GIVE AN OVERVIEW OF HOW AN AVOWED ATHEIST BECAME "THE MOST RELUCTANT CONVERT".

The main objective in the course is to explore Lewis' ideas of how we can know God and make Him known. We will draw from his many writings but will focus on one of his greatest works, The Screwtape Letters, which exposes the schemes of the enemy attempting to render believers ineffective. The class will utilize selected lectures from Jerry Root, a C.S. Lewis scholar.
