Happy Mother's Day

MESSAGE BY PASTOR LEON ENGMAN

"SUCH A GIFT"

Romans 11:1-15

QUESTIONS

- 1. In vv.1-2, Paul uses himself and Elijah as examples of proof that God has not rejected Israel. Why are so many people motivated to believe that God has rejected Israel?**
- 2. Why is envy so natural to us but so foreign to who God is?**
- 3. If God foreknew a people (v2) it does not mean that they are all saved. Why? How are they, corporately, a big part of God's future plans if many of them reject God's gift of Messiah Jesus?**
- 4. Are you God's Remnant in your family, workplace, school, or...? What future might God bring about by your presence as one of His elected people?**
- 5. Why does Revival come only when God says so (once in a generation?)? What is our Role as a Remnant until that happens again?**
