# Application Questions

## Acts 18:1-22

How beat up and exhausted was Paul likely when he got to Corinth?

What might it have meant to him to find a believing Jewish couple in the same trade?

Why did Paul shift gears when his team arrived from Macedonia (18:5)?

Why were the new church leaders—Jewish or Gentile—mostly from the synagogue (18:7, 17)?

Who has God fed your soul with in His service?

Why do some people think we are a super hero when we are not?

Why is it OK to be whatever God has made us: slow or fast, clever or plodding, etc.?
