Imagine and describe Paul's mindset as he preaches all night and resolutely heads to Jerusalem for Pentecost.

How does this intensity appear earlier in Luke's writing as he describes Jesus? (Luke 9:51-62)

How is Paul compelled forward by the Spirit but also warned by the Spirit?

Has God ever pushed you into a different mode? How so?

Paul was concerned that the believers would lose their focus and get carried away by false teaching (Acts 20:25-31). Why are complicated, religious things (as false teachings usually are) so appealing?

Why do we study hard and commit deeply to truth that is so straightforward? (Colossians 2:13-23)

How do we avoid entrapment in false teaching?
