THE CREATION

GENESIS 1-11

“A Delightful Partner”

Genesis 2:18-25

- ♦ Why did Jesus go back to Genesis 1 & 2 to answer questions about divorce (Matthew 19:3-9)?
- ♦ How deep into our core humanity is God's intention for marriage and family?
- ♦ What are some kinds of unique things about a marriage and a family? What are some of God's non-negotiables?
- ♦ How does our commitment to the Lord solidify marriage and family (Ephesians 5:21-33)?
- ♦ How has the definition of family been changed in our lifetime? Why has this happened?
- ♦ Why has satan targeted marriage and family?
- ♦ How does having children strengthen the “one flesh” concept, the bonds between a husband and wife, and bonds between their original families?
